

## What's in our Cuticle Balms?

A rich, buttery balm that melts on contact to soften, hydrate and protect the skin around your nails.

### Ingredients

Vitis Vinifera (Grape) Seed Oil · Simmondsia Chinensis (Jojoba) Seed Oil · Squalane · Tocopherol (Vitamin E) · Cera Alba (Beeswax) · Parfum (Fragrance)

### Key ingredients

#### Grape Seed Oil

Lightweight and rich in antioxidants. Moisturises without feeling greasy.

#### Jojoba Oil

Technically a liquid wax that mimics your skin's natural oils, for deep hydration.

#### Squalane

A silky emollient that softens dry skin and supports the skin barrier.

#### Vitamin E

Nourishes the skin and helps keep the balm fresh.

#### Beeswax

Locks in moisture with a breathable barrier and gives the balm its texture.

#### Fragrance

A light, subtle scent.

### Free from

Paraben-free

Mineral oil-free

Silicone-free

No synthetic colourants

No drying alcohols

### Storage

Keep the tin closed, in a cool, dry place away from direct sunlight.

### Good to know

- Contains beeswax and fragrance. If you have allergies to either, patch test before use.
- Safe for daily use on nails, cuticles and the surrounding skin. Don't apply to broken skin.
- If redness, itching or discomfort occurs, stop using it.
- For external use only. Keep out of reach of children and curious pets.

**Cruelty-free.** Our manufacturers don't test on animals at any stage of product development.
